

EAA Chapter 723 Flight Training Scholarship Program

Submit by August 31

Experimental Aircraft Association - Chapter 723 is located at the Camarillo Airport. The Chapter is seeking applications from Student Pilots who need financial assistance for flight training.

Applicants must meet the requirements listed below:

1. Must be at least 17 years of age.
2. High school diploma, or equivalent.
3. U.S. Citizen with Social Security Number.
4. Medical clearance from an FAA-certified examiner
5. Passed an FAA Written Exam for the pilot rating within previous 12 months
6. Active in a Flight Training Program at any program located in Ventura County California.
7. Referral from a CFI (Certified Flight Instructor) or flight school where the candidate is currently active in flight training.

Scholarship Funds

- Funds will be given directly to the applicant's flight school and paid for training phases.
- Applicants are eligible for a complimentary membership to EAA 723.Camarillo
